So you want a commission, GREAT!! Its easy! Could be a favorite person, pet, landscape or even abstract.

1. I work with you to establish the scope of the project, location, colors, size, imagery and composition. AND THEN I DO A PRELIMINARY B/W SKETCH!!
2. Once we establish the size, and you make adjustments/ approve the sketch, it's time to make a deposit for half.
3. Process photos, videos etc... and adjustments if needed.
4. Delivery - separate payment, happy to help you install the piece or give you the necessary instructions and hangers.
